PRODUCT CATALOG

Stainless Steel Flatware

6801 COLLECTION

sanlifactory.com

From design to your collection.

SANLI offers stainless steel flatware for wholesale and private-label collections. Explore the shapes, colours and packaging in this catalog to start your product selection.

01

Choose a design

Compare handle shapes and decorative details. Use the full model code to identify the colour you prefer.

02

Select the packaging

Individual cutlery photos show a range of pieces. Pack contents are specified separately with each packaging code.

03

Discuss your order

Share your model, quantity, packaging, logo requirements and destination with SANLI.
